

# The Finest

Paint and Stain-Grade Carriage House Overhead Doors

*As Featured in  
Period Homes Magazine*

Since the inception of the company in 1924, the Fimbel Family remains dedicated to providing the finest Overhead Door available by employing ground-breaking manufacturing techniques and over eighty five years of real-world application experience.

Fimbel ADS offers six unique lines of Insulated Carriage House Doors -the industry's largest and most diverse collection. Each door can be specifically tailored to match your personal style with your budget in mind. We strive to please our customer while being mindful of our fragile environment. Paint grade doors are constructed of Dur-A-Tek™ Hardwood Composite, which carries LEEDS credits. Stain grade doors are from managed forests and plantations. Vinyl doors have a Recyclable future. We use CFC free insulated cores in all of our products.
